

California Women Lead
ENGAGE • EMPOWER • ELECT

San Mateo County Chapter

Within first two years of establishing the San Mateo County Chapter of California Women Lead, eleven events have been held with nearly 400 people attending. Women are not only more knowledgeable about applying for appointments, campaigning and networking but also had the opportunity to network with women leaders, women commissioners and elected women officials at all events. Surveys received from participants at each event indicate that overall 95% of the women rated the trainings as excellent. 80% of the survey respondents indicated they are very likely or likely to seek appointments to boards or commissions or become politically involved by seeking office or working on a campaign.
